Using the site without a mouse

You can use this site without a mouse by using quick access keys to navigate to commonly used pages such as the home page, and to search the site. Below are the MVTR shortcut keys. You can use these keys any time, wherever you are in the site.

0 | List of access keys

1 | Ministry's (MED) home page

3 | Site map

4 | Search this site

5 | Advanced search

6 | Bookmark

9 | Contact us

To use any of these shortcut keys, hold down the ALT key (PC), or the Control key (Apple Macintosh), and then the shortcut key you wish to use. Some internet browsers may require you to press Enter or Return to confirm your choice.
